Searching the Royal Marsden Manual Online (Ninth Edition)

Go to the RMM website: [http://www.rmmonline.co.uk/](http://www.rmmonline.co.uk/) or log in via OpenAthens [https://openathens.nice.org.uk](https://openathens.nice.org.uk)

Click login from the home page

A pop up box will appear click on login with OpenAthens and login with your OpenAthens username and password

If logged in via OpenAthens. Click on 'My Resources' on the top left of the page:
Scroll down the list of resources and double click on the title.

Once you are logged in, you will see logged in as: ‘**Barts Health NHS Trust**’ on the top left of the page.

Click on ‘**search help**’ for tips on how to search.

There are also **instructional videos** to guide you through: [http://www.rmmonline.co.uk/static-pages/content-5](http://www.rmmonline.co.uk/static-pages/content-5)

Enter the word or term you are interested in into the **search box** and click on search.
The results will be displayed as shown below: You can filter by type e.g. procedure.

To view the full text of a particular result click on the blue title. You can also browse by procedures, chapters or illustrations by clicking on the boxes for your topic of interest.

Clicking on illustrations will show specific procedures e.g. moving and handling.
Reading Procedure Guideline

Change tabs to display the list of **Equipment** required:

![Equipment list](image)

The stages of the guideline are split into: **Pre-procedure**, **Procedure** and **post-procedure**

![Procedure stages](image)

Evidence is classified by type: **P- Patient Experience**

![Patient evidence](image)

**E-Clinical Experience**

![Clinical evidence](image)

**C-Context** e.g. R1(a) Systematic reviews of randomised control trials

![Context evidence](image)

The references e.g.[117] link to a list at the end of the chapter. From this list there are links to the original source material
